

**LogiLink BT0037 netværkskort Bluetooth 3 Mbit/s****Mærke :** LogiLink**Produktkode:** BT0037**Produktnavn :** BT0037

LogiLink BT0037. Forbindelsesteknologi: Trådløs, Værtsgrænseflade: USB, Grænseflade: Bluetooth.  
Maksimal dataoverførselshastighed: 3 Mbit/s, Wi-Fi-bånd: Enkelt band (2,4 GHz). Produktfarve: Sort, Sølv

| Porte & Grænseflader                |                                                                                                 | Systemkrav                             |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
